1. The Official Entry Form must be submitted to the Golf Coordinator no later than seven days prior to the tournament.
2. BOYS: A school may enter three or less participants to compete for the individual championship.
3. BOYS: To be eligible for team competition, a school must have a minimum of four players or a maximum of six members who must be designated for the team championship. Additional qualifiers may compete for the individual championship.
4. BOYS: The International Plan of five players participating and taking the four best scores each day shall be used (36 holes). A substitute may be entered for the second round.
5. Change in entries shall not be permitted after the entry deadline, except in case of illness or injury to team member. All changes shall be approved before the scheduled tee time of the first round.

All fractions of more than one-half shall be counted to the next whole number. Highest percentage fractions shall determine the leagues' total allocation.
7. The slot for a qualified participant who cannot participate in the tournament belongs only to the league in which that athlete participates. Substitutes will come from the list of league alternates, following that league's rule for qualifiers to the state tournament. If a league cannot fill the vacancy with an alternate, then the vacancy will remain unfilled.
8. If a player competing for the individual championship only does not post a score for the first round of play, then the player does not participate in the second round of play.

B. Coaches' Responsibilities

Pairings for the play-off will be two competitors from each team to form a foursome. Team members may give advice only during play-off for team championship. Team members and other players not involved in the play-off will not be

permitted to caddy or give advice. Penalty of two strokes will be assessed to player(s) involved in the infraction.

- D. When a golfer is tied for the individual championship and is also a member of a team which is tied for the team championship, the individual championship will be played first. The individual will then take part in the team play-off with the other team members.
- E. Whenever possible, postponement because of inclement weather should be completed on the succeeding day with time and course designated by the HHSAA Executive Director and Tournament Committee.

- E. All hats must be worn properly (brim forward for caps, etc.)

- F. Collared shirts for all (with sleeves for boys) must be worn and tucked in with belts worn if pants or shorts have belt loops. Girls' shirts with straight hems designed to be worn out will be allowed. Mock turtlenecks shirts will be allowed.
- G. Boys may NOT wear earrings. Other than earrings on girls, no other visible body piercing is allowed (nose rings, etc.).

However, if there is a willful violation of this aspect of the dress code (such as deliberately untucking their shirt or disregarding the request to tuck it back in), a player is subject to disqualification at the discretion of the Tournament Director or Tournament Committee.

Any violation of these guidelines will result in the player(s) not being allowed to start his/her round until the guidelines are met **prior** to the scheduled time of start. Violations that occur during a stipulated round have the following penalties:
